About Dr Ross

Dr Ross was introduced to computer programming when his family bought an Apple II in the 1980s and he has been a student of computer science ever since. A native of southern Utah, he graduated from Pine View High School in 1995 as valedictorian and a National Merit Scholar. He moved to Massachusetts to attend Harvard University, where he graduated *magna cum laude* in Computer Science in 2001. He worked as a software engineer in the Boston area before moving to England, where he received a PhD in Computer Science from the University of Cambridge in 2007.
